

EAST GREEN RESIDENTIAL DEVELOPMENT — FRASERS PROPERTY AUSTRALIA

808. Hon TJORN SIBMA to the minister representing the Minister for Housing:

That is right. Madam President, thank you very much for your kindness and to every other member.

I refer to the minister's media statement of 31 August 2017, "East Green project to deliver 138 contemporary homes", which announced the state government's partnership agreement with Frasers Property Australia to redevelop the old East Greenwood Primary School site.

- (1) How many of the promised 138 homes, including 20 dwellings dedicated to the shared equity scheme and 15 social housing dwellings, have been built in the two years since the announcement was made?
- (2) How many East Green lots have been sold to date?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1) Nil. In response to extremely difficult market conditions, the development partner and the Department of Communities have revised delivery of the project to reflect consumer sentiment and demand. The revised development is due to be launched in mid to late 2020.
- (2) Nil.
