

FLY IN, FLY OUT — PILBARA

Notice of Motion

Ms M.J. Davies (Leader of the Nationals WA) gave notice that at the next sitting of the house she would move —

That this house recognises that fly in, fly out work practices can be detrimental to regional communities through the reduction of economic and social opportunities for development and calls on the McGowan government to —

- (1) acknowledge the positive impact the Liberal–National government made in improving the liveability of the Pilbara through royalties for regions investment;
- (2) ensure that all fly in, fly out work arrangements are limited to genuinely remote and temporary operations and that workers are provided with genuine choice over where they live; and
- (3) ensure that key stakeholders, including local government, are engaged where the project will be located to address social and community infrastructure requirements.
