

STAMP DUTY ON MOTOR HOMES

473. Mr A.P. O'Gorman to the Treasurer

When will the Treasurer follow through on reducing stamp duty on motor homes, including caravans, as per the member's budget reply speech in 2007?

Mr T.R. BUSWELL replied:

The Economic Audit Committee is considering options for tax reform and is expected to forward a report to the Government for consideration in the 2009-10 Budget. Specific tax measures will be announced in the Budget.
