

RACING INDUSTRY, SEXUAL EXPLOITATION OF YOUNG PEOPLE

353. Hon BARRY HOUSE to the Minister for Racing and Gaming:

Following the recent report into the New South Wales racing industry, which indicated widespread sexual exploitation of young people in that industry, has the minister satisfied himself that a similar position does not exist in Western Australia?

Hon N.D. GRIFFITHS replied:

Hon Richard Face kindly provided me with a copy of the report. I have noted its content and I am seeking advice about the matters in it, with particular reference to whether it has relevance to Western Australia.
