

LANDCORP DEVELOPMENT — GRACETOWN

6338. Hon Barry House to the Parliamentary Secretary representing the Minister for Planning and Infrastructure

With regards to the proposed LandCorp Development at Gracetown —

- (1) When will details of the proposed expansion, including the intended tourist development, be published?
- (2) Have negotiations taken place with the Gracetown Tennis Club?
- (3) If no to (2), why not?

Hon ADELE FARINA replied:

- (1) Details of the proposed residential concept are available from the website www.gracetown.landcorp.com.au, on the notice board near the shopping precinct in Gracetown or via LandCorp's e-shots emailed to those who sign up to its mailing list. Details of the tourism site are not as advanced as the residential site. However, a conceptual site layout is currently being prepared by LandCorp's consultant team and should be available by the end of June.
- (2) No.
- (3) Consultation with the Gracetown Tennis Club has not yet taken place directly due to the early stage of the proposed tourism development. Currently there is no plan for a tourism development over the area where the tennis courts are located.
