

**BOAT RAMP FACILITIES**

*Petition*

**MR R.C. KUCERA** (Yokine) [12.02 pm]: I present the following petition -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that additional public boat ramp facilities in the Perth metropolitan area are urgently required. An extensive study conducted for the Maritime Division of the Department of Transport (October 1999) recommended the development of a new facility allowing access to the coast from the Fremantle draw area to relieve pressure on metropolitan ramps and reduce traffic and congestion in associated waterways.

Now we ask that the Legislative Assembly endorse this recommendation by funding a new public boat ramp facility at the Rous Head site in North Fremantle.

The petition bears 2 778 signatures and I certify that it conforms to the standing orders of the Legislative Assembly.

[See petition No 360.]
