

WESTPORT TASKFORCE — OPTIONS

**922. Hon TJORN SIBMA to the Minister for Ports:**

I refer to Westport Taskforce's long list of 25 options.

- (1) How did each option rank against the "Infrastructure capacity, scalability and operational efficiency" sub-criterion?
- (2) How did each option rank against the "Capex and land acquisition costs" sub-criterion?
- (3) How did each option rank against the "Operations and maintenance costs" sub-criterion?

**Hon ALANNAH MacTIERNAN replied:**

I thank the member for the question.

As the member would appreciate, providing that level of detail for only a portion of the multi-criteria analysis would not provide an accurate picture. I have asked the Westport Taskforce to prepare a summary of the rankings for each sub-criterion and I commit to tabling that on the next sitting day.
