

DEPARTMENT OF EDUCATION — LAND

**678. Hon MATT BENSON-LIDHOLM to the Minister for Education:**

I refer to the minister's answer to question without notice 655 provided yesterday.

- (1) Does the Department of Education own or lease land upon which regional education offices, local education offices, and its central office at 151 Royal Street, East Perth, are located?
- (2) If yes to (1), why was that land not included in the spreadsheet provided with yesterday's answer, given that that land does not contain operating schools?
- (3) Will the minister now provide a complete list of land as requested in question without notice 655; and, if not, why not?

**Hon PETER COLLIER replied:**

I thank the honourable member for some notice of the question.

- (1) Yes.
- (2) The response provided yesterday was based on the interpretation of question without notice 655 related to land owned or held by the Department of Education for the purposes of building schools in the future.
- (3) In addition to the information provided in the response to question without notice 655, below is a list of the regional education offices, local education offices and central office, on land owned or leased by the department. This information, in conjunction with information previously provided, does not include land owned by the department for other purposes; for example, land awaiting disposal by the department. In the time available, it is not possible to provide a complete list of all such land owned or held by the department. The department has advised me that this information will be provided by Thursday, 27 September 2012. I will table this information when it becomes available.

The rest of the answer is in tabular form. I seek leave to have it incorporated into *Hansard*.

Leave granted. [See paper 4981.]
