

STATE BUDGET 2023–24 — METRONET

457. Hon TJORN SIBMA to the Leader of the House representing the Minister for Transport:

Given the McGowan government's failure to invest in a specialist cancer centre due to the limitations in its capital works program, will the minister rule out any further budget increases for the Metronet program of works in the coming state budget?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

Questions about the WA Comprehensive Cancer Centre should be directed to the Minister for Health.

The McGowan Labor government is committed to the delivery of Metronet, which is transforming the way people get around our suburbs, reducing congestion and creating thousands of jobs.
