

APPEALS CONVENOR — NUMBER OF APPEALS

1251. Hon SALLY TALBOT to the Minister for Environment:

- (1) How many level of assessment appeals were lodged with the Appeals Convenor in the past 24 months; and for what projects were they?
- (2) How many strategic assessment appeals were lodged with the Appeals Convenor in the past 24 months; and for what projects were they?

Hon DONNA FARAGHER replied:

I thank the member for some notice of this question.

- (1) In the past 24 months, 51 appeals were lodged against the level of assessment set for 15 proposals. The proposals are as follows: addition of a fourth submerged arc furnace at the Kemerton smelter of Simcoa Operations Pty Ltd, lot 5549 Kemerton Industrial Park; Armstrong reserve, urban and commercial development, Dunsborough; Balla Balla magnetite project, approximately 10 kilometres north west of Whim Creek between Karratha and Port Hedland; Marillana iron ore mine, approximately 100 kilometres north-north-west of Newman; PER 111 RC drill holes E77/1097 and M77/1242, Shire of Yilgarn; PER Carina iron ore mine, north east of Southern Cross, Shire of Yilgarn; Roe Highway extension, Kwinana Freeway to Stock Road, Coolbellup; Talling Peak T6B, stage 2, and waste dump expansion, approximately 63 kilometres north of Mullewa; technical ammonium nitrate production facility within King Bay-Hearson Cove industrial precinct, Shire of Roebourne; Yeelirrie open cut uranium ore mine, processing plant and infrastructure, approximately 110 kilometres north west of Leinster, Shire of Wiluna; Wiluna uranium project, Shire of Wiluna; Blue Waters power station expansion, phases 3 and 4, near Collie; lignite to liquids projects, mine and processing facilities, Salmon Gums lignite deposit, Shire of Esperance; Mesa K remnant mining project; and Yandicoogina Junction south west, Billard S and Oxbow iron ore mines, Yandicoogina, Shire of East Pilbara.
- (2) In the past 24 months two appeals were received against a proposal that was assessed as a strategic environmental assessment. The proposal is the Sussex location 413, Yallingup—Smiths Beach development guide plan, by Canal Rocks Pty Ltd.
