

RESOURCES COMMUNITY INVESTMENT INITIATIVE — CONSULTATION

1589. Hon Tjorn Sibma to the Leader of the House representing the Premier:

Noting your answer to my question on 10 August concerning the Resources Community Infrastructure Initiative (RCII), I ask:

- (a) why were there no governance mechanisms in place for the management of the RCII at the time of the scheme's announcement, when the departments of Treasury and Premier and Cabinet had earlier 'provided extensive input into governance arrangements for the initiative'; and
- (b) will you please provide the details (times, dates and attendees) of the meetings the former Premier had with RCII foundation partners between late April 2022 and the public launch of the scheme on 22 November 2022?

Hon Sue Ellery replied:

- (a) Governance mechanisms were in development at the time of the announcement and were formalised, and in place, before the Resources Community Investment Initiative commenced.
- (b) The current Premier does not have access to the former Premier's diary, therefore, it is not possible to provide this information.
