

COMMUNITY RESOURCE CENTRES

**461. Ms M.J. DAVIES to the Premier:**

I have a supplementary question. Given that royalties for regions is fully allocated across the forward estimates, is the review that is being undertaken just a sham, as the closure of these CRCs is already known and decided?

**Mr M. McGOWAN replied:**

Obviously, the review will inform a whole range of issues: the ongoing role of CRCs, how they will be structured, and what they do. That is appropriate. They are large organisations and tens of millions of dollars of taxpayers' money is going into them, so clearly we need to make sure that we spend that money most appropriately.
