

SWAN ALCOA LANDCARE PROGRAM — FUNDING

953. Hon SALLY TALBOT to the Minister for Environment:

- (1) Has funding been secured from Alcoa for the 2010 round of the Swan Alcoa Landcare program?
- (2) If yes to (1), will the minister provide information about the funding to the house?
- (3) If no to (1), what provisions has the minister made to ensure that this program continues to operate?

Hon DONNA FARAGHER replied:

I thank the member for her question. I cannot answer that question right now. If the member puts it on notice, I am very happy to provide her with an answer. I am sorry, but I do not have that information at hand.
