

VEHICLE STAMP DUTY PROPOSALS

Petition

Hon Barry House presented the following petition bearing the signatures of 1 300 persons -

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia respectfully request the Legislative Council to urge the Government to review the impact of its vehicle Stamp Duty proposals, in particular the potential for a negative impact on sales, loss of employment opportunities and the adverse impact of these factors on the West Australian economy.

Your petitioners therefore respectfully request that the Legislative Council will act soon on industry concerns about these matters.

And your petitioners as in duty bound, will ever pray.
