

JANGARDUP MINE — GROUNDWATER QUALITY MONITORING

137. Hon DIANE EVERS to the Minister for Environment:

I refer to the revised groundwater quality monitoring program at the former Jangardup mine.

- (1) Has the revised program been completed?
- (2) If yes to (1), will the minister please table the results and any subsequent reports?
- (3) If no to (1), when will the program be completed and the results available?
- (4) If no to (2), why not?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1) No.
- (2) Not applicable.
- (3) I am advised by the Department of Water and Environmental Regulation that in January 2020, the proponent submitted a revised groundwater monitoring program, which is currently under review by the department. This document provides an up-to-date summary of the groundwater monitoring results. I am advised that the Department of Water and Environmental Regulation will consult with the proponent to make this document publicly available once it is finalised.
- (4) Not applicable.
