

AUSTRALIAN NURSING FEDERATION, COMPULSORY UNIONISM PROPOSAL

130. Mrs EDWARDES to the Minister for Health:

Has the minister instructed his team that will go to the Industrial Relations Commission, to strongly oppose the Australian Nursing Federation's compulsory unionism proposal to charge non-members of the ANF a \$400 fee for bargaining about wages and conditions?

Mr KUCERA replied:

To my knowledge, it is not part of the proposal, so no instructions have been given by me in relation to it.
