

STATE HEALTH MANAGEMENT TEAM, SOUTH WEST REPRESENTATION

**1076. Mr TRENORDEN to the Minister for Health:**

I refer to the recommendation made by the Bunbury Health Task Force, chaired by the member for Bunbury, that the Director General of the Department of Health expand the membership of the state health management team to include the chief executive officer of South West Health.

- (1) Will this recommendation be implemented?
- (2) If so, will the CEOs of all the other country health services be included on the state health management team?

**Mr KUCERA replied:**

- (1)-(2) That is a matter for the Director General of the Department of Health. Whether he addresses the recommendation in the same format recommended by the task force is entirely up to him. It is a management issue and I will go along with whatever the director general decides in that regard.
