

CONSERVATION NOTICES

**502. Hon ANTHONY FELS to the parliamentary secretary representing the Minister for Planning and Infrastructure:**

I refer to conservation notices on private land.

- (1) How many conservation notices have been issued on private land?
- (2) Is compensation available to those landowners whose properties are now the subject of conservation notices?
- (3) If yes to (2), is the compensation offered assessed on the value of the land prior to the imposition of the conservation notice?
- (4) How many landowners are affected by the imposition of conservation notices?

**Hon SALLY TALBOT replied:**

I thank Hon Anthony Fels for some notice of this question, for which at the moment there does not appear to be an answer.
