

AIMS CORPORATION, PERFORMANCE BONUSES

185. Mr M.J. Birney to the Minister for Justice

How much has AIMS Corp been paid in performance bonuses over the last four years?

Mr J.B. D'ORAZIO replied:

The Department of Justice advises:

Performance bonuses are not payable to AIMS under their contractual arrangements with the Western Australian Government. However, both the Acacia Prison and Court Security and Custodial Services contracts contain a performance-linked component from which deductions can be made for failure to meet agreed standards. The performance-linked amounts paid to AIMS for the operation of Acacia Prison and Court Security and Custodial Services over the last four years total \$6,842,632.
