

WATER LICENCES — COST RECOVERY

2135. Mr D.J. Kelly to the Minister for Water:

I refer to the Government's promise to rule out cost recovery for water licenses during the 2013 State election and ask:

- (a) what is the difference between the cost of water licenses and the income from water licenses for 2013–2014; and
- (b) what is the projected difference between the cost of water licenses and the income from water licenses for 2014–2015?

**Ms M.J. Davies replied:**

- (a) Estimated to be \$8.78m.
- (b) Estimated to be \$8.85m.
