

WATER AND ENVIRONMENTAL REGULATION — WASTE REFORM

766. Hon TJORN SIBMA to the minister representing the Minister for Environment:

I refer to the Department of Water and Environmental Regulation's work undertaken since the release of the document *Closing the loop: Waste reforms for a circular economy*, and the minister's answer of 6 April.

- (1) Has the department drafted the regulatory impact statement?
- (2) If yes, can the minister please table the statement?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The following answer has been provided to me by the Minister for Environment.

- (1) *Closing the Loop: Waste reforms for a circular economy* was prepared as a consultation regulatory impact statement. A decision regulatory impact statement will be completed following government's decision on the regulatory proposals.
- (2) Not applicable.
