*Disability Justice Centre Opening — Personal Explanation*

**MR D.J. KELLY (Bassendean)** [2.54 pm]: I rise under standing order 148 to make a personal explanation. During question time, the Premier criticised me for not attending the opening of the disability justice centre in my electorate. I want to confirm that the only reason I was not there was that I was at Princess Margaret Hospital for Children with my daughter; otherwise I would have been there. I think the Premier should apologise.

**The SPEAKER:** Thank you, member for Bassendean, for explaining that.
