

WEDGE AND GREY COASTAL SITES, EXTENSION OF LEASES

463. Hon C L Edwardes to the Minister for the Environment and Heritage

- (1) I refer the Minister to the Masterplan released in January 2001, for redevelopment of the two coastal sites, Wedge and Grey; and Labor's commitment to the shack owners to extend their leases past 30 June 2001, if a preferred developer had not been selected by that date, and ask what is the current time frame for the preferred developer to be selected?
- (2) If that is not going to be before 30 June, 2001, will the Government confirm its commitment to the shack owners?

Dr EDWARDS replied:

- (1) Expressions of Interest will be called later this year. The assessment of the response to that call will determine the timeframe for the selection of a preferred developer.
- (2) Yes.
