

BUILDERS' SUPPORT FACILITY

1930. Hon Steve Martin to the Minister for Small Business:

I refer to the Builders Support Facility, and the website which states that applications have not yet opened, and I ask:

- (a) when will applications open;
- (b) how many expressions of interest were received up to the closure date of 31 January 2024; and
- (c) how many incomplete homes are represented by the combined total of the expressions of interest referred to in (b)?

**Hon Jackie Jarvis replied:**

- (a) Applications opened Monday 18 March 2024.
- (b) 105 Registrations of Interest were submitted.
- (c) The number of incomplete houses represented by the registrations of interest were self-assessed (by the applicant) and therefore is not sufficiently reliable until the formal applications have been assessed.
