

ICY CREEK ENVIRONMENTAL EDUCATION FACILITY

**793. Hon SALLY TALBOT to the Minister for Environment:**

I refer the minister to the Icy Creek environmental education facility.

- (1) Is the facility still accepting bookings for its camping sites and sleeping huts?
- (2) If no to (1), why not?

**Hon DONNA FARAGHER replied:**

I thank the member for some notice of this question.

- (1) No.
- (2) The Icy Creek area falls within the Alcoa Orion mine site zone of influence for blasting and operational noise. The state government is working with Alcoa to redevelop other accommodation areas in Lane Poole Reserve due to this impact.
