

TREENDALE–MILLBRIDGE BRIDGE — SOUTH WEST TENDERERS

990. Hon SALLY TALBOT to the Leader of the House representing the Acting Minister for Transport:

I refer to the construction of the Treendale–Millbridge Bridge.

- (1) Which companies tendered for the project, which of these have a head office in the south west region, and which was awarded the contract?
- (2) What proportion of the bridge infrastructure will be sourced domestically?
- (3) When is the construction stage of the project expected to commence?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of the question. I apologise: I request that the question be put on notice.
