

LEIGHTON MARSHALLING YARDS, REDEVELOPMENT

364. Hon C L Edwardes to the Minister for Planning and Infrastructure

I refer to the proposed redevelopment of the Leighton Marshalling yards, and *The West Australian* article dated 1 March 2001, and ask -

- (a) does the Government propose to call for tenders again;
- (b) if not, does the Government propose to redevelop the site itself; and
- (c) if not, what is the Government's decision on the redevelopment of this site?

Ms MacTIERNAN replied:

- (a)-(c) A decision has not yet been made as to how the Government will proceed with any redevelopment at the former Leighton Railway Marshalling yard land.
