

KWINANA FREEWAY TRAFFIC COUNT

205. Hon SIMON O'BRIEN to the parliamentary secretary representing the Minister for Planning and Infrastructure:

I refer to my question answered on 27 February 2008, in which I asked about the average weekday traffic count on the Kwinana Freeway for November 2007. I now ask: what was the average weekday traffic count on the Kwinana Freeway for February 2008?

Hon SALLY TALBOT replied:

On behalf of the parliamentary secretary representing the Minister for Planning and Infrastructure, I provide the following response.

Main Roads WA is currently collating the post rail commencement Kwinana Freeway traffic counts. The minister expects to receive this information towards the end of this week.
