

RAIL TUNNEL EXTENSION, JOONDALUP

Petition

MR A.P. O'GORMAN (Joondalup) [12.04 pm]: I present the following petition -

To: The Honourable the Speaker and members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled:

We, the undersigned respectfully request that urgent funding be immediately forthcoming for the extension of the rail tunnel situated at the junction of Shenton Avenue / Pontiac Way in Joondalup to allow the originally planned dualling of Shenton Avenue to be completed by the City of Joondalup. The construction of the roundabout is essential for the ongoing development and growth of the business park, which has been suffering for many years because of poor planning, and to improve access and road safety for Arena Joondalup and the Lake Joondalup Baptist College.

Your petitioners therefore humbly pray that you will give this matter earnest consideration and your petitioners, as in duty bound, will ever pray.

The petition bears 800 signatures and I certify that it conforms to the standing orders of the Legislative Assembly.

[See petition No 417.]
