

MT BARKER PRIMARY SCHOOL

Petition

Mr House presented the following petition bearing the signatures of 307 persons -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that the Education Support Units at the Mount Barker Primary School are grossly inadequate for the number of students enrolled who currently have special needs. Parents, staff and students are resolute in their determination to see the facilities improved as it is intolerable that this group of children are disadvantaged in such a way.

Now we ask the Legislative Assembly to take immediate action to ensure that funding is made available to provide extra classroom, therapy and office space for the children with special needs at our school.
