

FORRESTFIELD–AIRPORT LINK — WORKSAFE INSPECTORS

**408. Hon TJORN SIBMA to the minister representing the Minister for Industrial Relations:**

I presume the minister representing the Minister for Industrial Relations is the Minister for Regional Development. My question is regarding work safety notices issued by WorkSafe inspectors for the Forrestfield–Airport Link project for the years 2017, 2018 and 2019 year to date.

- (1) How many verbal directions, improvement notices and prohibition notices have been issued?
- (2) How many provisional improvement notices were confirmed, modified or cancelled?
- (3) With respect to (1) and (2), what were the specific details of each direction and/or notice issued, when were they issued, and what actions occurred to remediate those workplace hazards?

**Hon ALANNAH MacTIERNAN replied:**

I thank the member for the question. The Minister for Industrial Relations has provided the following response.

Due to the quantity and scope of the information requested, it is not possible to provide an answer in the given time. I, therefore, ask that the member place the question on notice.
