

DENTAL HEALTH CARE, SENIORS

**40. Mr M.F. BOARD to the Minister for Health:**

As a supplementary question: in view of that answer, will the minister make a commitment to the House that seniors and health card holders will not wait any longer under the public system than they have under the subsidised private system?

**Mr R.C. KUCERA replied:**

I remind the member for Murdoch that his federal colleagues withdrew the overall dental subsidy. Unlike him, I have made a commitment to better dental health care across the State. I do not have to reiterate that.
