

RESOURCES COMMUNITY INFRASTRUCTURE INITIATIVE

**988. Hon TJORN SIBMA to the Leader of the House representing the Premier:**

I note the closure of the expression-of-interest period for the resources community infrastructure initiative.

- (1) Without revealing the identity of the company or companies concerned, can the Premier, at the very least, confirm whether all the foundation partners of the scheme who were named at the launch of the policy in November last year submitted an expression of interest?
- (2) Without revealing the identity of the company or companies concerned, can the Premier also confirm whether any expressions of interest were received from organisations additional to those foundation partners; and, if so, how many?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1)–(2) To maintain the probity of the expression-of-interest process, information on the companies that have expressed interest and for which projects is confidential until a decision on the allocation of contributions is made.
