

DEPARTMENT OF EDUCATION AND TRAINING - ALLEGATIONS OF MISCONDUCT

**901. Hon BARRY HOUSE to the Minister for Education and Training:**

I refer to the series of questions, most of which were given with some notice, that I asked the minister in September, October and November last year concerning alleged misconduct by Department of Education and Training employees in WA state schools.

- (1) Who provided the information the minister used to respond to these questions?
- (2) Did the minister discuss these answers with Mr Paul Albert, other Department of Education and Training representatives or her ministerial staff?

**Hon LJILJANNA RAVLICH replied:**

- (1) The Department of Education and Training provided the answers.
- (2) No.

**Hon Barry House:** So you just read it out without understanding the answers?

**Hon LJILJANNA RAVLICH:** That is not the question. The member asked if I discussed these answers with Paul Albert. I said no.
