

METRONET — PUBLIC TRANSPORT AUTHORITY OPERATING SUBSIDY

1188. Hon TJORN SIBMA to the minister representing the Minister for Transport:

I refer to page 120 of the Public Transport Authority's annual report 2022–23.

- (1) How does the PTA account for the \$106.5 million annual growth in the operating subsidy contribution from the state government?
- (2) How much of this growth is attributable to the operation of the Forrestfield–Airport line for nine months?
- (3) How much of this expense growth is attributable to other factors and what are these factors?

Hon STEPHEN DAWSON replied:

I thank the member for some notice of the question. This answer has been provided to me by the Minister for Transport.

- (1)–(3) Details regarding the variance in the operating subsidy are contained within the PTA annual report.
