

ELECTORATE OFFICES — LEGISLATIVE ASSEMBLY MEMBERS

409. Hon SHELLEY EATON to the Leader of the House representing the Premier:

- (1) Which members of the Legislative Assembly are still waiting to move into electorate offices located within their electorates as at 5 May 2009?
- (2) Has appropriate electorate-based accommodation been found for these members?
- (3) If yes, what is the expected date that they are likely to be able to move?
- (4) If no, what action is being taken to ensure these members are moved to premises within their electorates?

Hon NORMAN MOORE replied:

I thank the member for some notice of this question.

- (1) The member for Kwinana remains in temporary accommodation adjacent to Parliament House.
- (2)-(4) A permanent location has been identified by the member within the electorate, and negotiations are occurring with the owner concerning fit-out works. Until agreement is reached on the required fit-out works and costs, it is not possible to provide an expected date of occupation. It is hoped that negotiations can be concluded this week and fit-out works completed in the near future.
