

CHURCHILL PARK GUEST HOUSE SITE

**925. Hon SALLY TALBOT to the minister representing the Minister for Housing:**

I refer to the use of the Churchill Park Guest House site in Busselton.

- (1) What work has been carried out on the property since the refuge plan was abandoned?
- (2) What use is currently being made of the building and the land?
- (3) What use is proposed for the future?

**Hon MICHAEL MISCHIN replied:**

On behalf of the Minister for Agriculture and Food, I thank the member for some notice of this question. The Department of Housing advises as follows —

- (1) Demolition and final site clean-up was completed in March 2014.
- (2) The site is vacant.
- (3) The site will be used to build up to 16 units for the department's affordable housing program. Eligible Western Australians will have the opportunity to purchase these properties on a full market or shared equity basis.
