WATER CORPORATION

- a) The Water Corporation currently has five 'displaced' employees. These five employees are not public servants and are therefore not registered on the departments 'attached list' or managed within the Public Sector for redeployment purposes. They are registered and managed as redeployees within the Water Corporation.

Whilst an employee is waiting to be placed in suitable alternative employment, the Corporation's Mobility Services Unit arranges temporary placements or project work which utilises the employee's experience and competencies. This temporary work can be arranged with an outside employer.

Retraining is considered when an employee's current experience and competencies limit their chances of seeking a suitable position.

- b) The previous job title, salary and date each Water Corporation employee was 'displaced' and the reason for the displacement is as follows;

Previous Job Title	Salary Range	Date of Registration	Reason
Intellectual Property Manager	\$70 296 - \$76 790	01 July 2003	Position abolished
