946. Mr D.F. Barron-Sullivan to the Minister for Health

Will the Minister provide details of any motorcycles owned or operated by each agency or statutory body that comes under his / her ministerial jurisdiction, including the following details in regard to each such vehicle -

- (a) the brand, model and engine capacity;
- (b) the lease, hire or purchase details and costs;
- (c) the purpose for which it is used;
- (d) who is allowed to use it;
- (e) whether it has private or Government number plates;
- (f) whether it can be used for private purposes; and
- (g) who is responsible for the purchase and replacement of safety equipment such as helmet, jacket, gloves and boots?

Mr R.C. KUCERA replied:

The information being sought by the member is not readily available.

I would advise that information systems used in agencies are designed to address operational and statutory requirements and don't necessarily facilitate the ready provision of information being sought by the member.

However, if the member has a particular issue of concern, I would be pleased to consider arranging for the agency to provide information on that specific issue.
