

WATER CORPORATION — STRATEGIC DEVELOPMENT PLAN — DAM SAFETY PROJECTS

3261. Mr D.J. Kelly to the Minister for Water:

I refer to page 18 of the *Water Corporation's Strategic Development Plan 2014/15 to 2018/19*, and I ask:

- (a) which Dam safety projects have been delayed as part of the \$10 million saving measures;
- (b) in each case, what was the original timeline for completion; and
- (c) in each case, what are the new completion dates due to the delay?

**Ms M.J. Davies replied:**

- (a)–(c) The figures outlined on page 18 of the Strategic Development Plan are indicative and used for planning purposes only.

The Water Corporation's capital investment program is regularly reprioritised due to changing consumption patterns, population growth and unforeseen circumstances.
