

FARM MACHINERY - PROHIBITION AND IMPROVEMENT NOTICES

2977. Hon Nigel Hallett to the Minister for Local Government and Regional Development representing the Minister for Employment Protection

- (1) How many prohibition notices have been issued on farm machinery over the past six months? (June 2005 to November 2005 inclusive)
- (2) How many improvement notices have been issued on farm machinery over the past six months? (June 2005 to November 2005 inclusive)
- (3) Please give a detailed description of each notice given for farm machinery (both prohibition and improvement), including the reason for issue over the past six months? (June 2005 to November 2005)

Hon JON FORD replied:

The Department of Consumer and Employment Protection (DOCEP) has advised the Minister for Employment Protection that:

- (1) 2
- (2) 141
- (3) Prohibition Notices
2 - power-take-off guarding (PTO).
Improvement Notices
29 - test and examine plant.
29 - risk assessment.
15 - decals.
14 - guarding.
16 - roll-over-protection (ROP).
10 - auger guarding.
8 - PTO guarding.
8 - inspection records.
5 - operator manuals.
4 - seat belts.
2 - access to plant.
1 - seat.

The prohibition and improvement notices issued have been grouped in the categories above as it is not practical to include full details for each individual notice.
