

STATE-BASED UNIONS

17. Mrs C.L. EDWARDES to the Premier:

I have a supplementary question. Why will the Premier not give an undertaking to the people of Western Australia that he will not be bound by the motion passed at the union-dominated Labor Party conference?

Dr G.I. GALLOP replied:

I have answered that question.

Several members interjected.

Dr G.I. GALLOP: Yes, I have. Members opposite should listen very carefully. Our response will be determined by the facts and circumstances of the times.
