

HILTON PRIMARY SCHOOL, APPOINTMENT OF MR GRAHAM DART AS PRINCIPAL

678. Hon BARRY HOUSE to the Minister for Education and Training:

- (1) In view of the positive testimonials from teaching staff and parents, will Mr Graham Dart be appointed the substantive principal of Hilton Primary School?
- (2) If not, why not?

Hon LJILJANNA RAVLICH replied:

I thank the member for some notice of this question.

I do not know whether this is a select school. Obviously, due processes are in place. There seems to be a view that if there is support, it is an automatic thing that a principal will stay at a school. However, I want to alert the member to the fact that processes are in place.

- (1) I am advised that the Department of Education and Training cannot comment as the appointment process is currently under way.
- (2) Not applicable because of the appointment process.
