(2) What costs were incurred by the Department of Sport and Recreation in the conducting of these courses and seminars?

(3) What costs were incurred by the participants in the conducting of these courses and seminars?

Mr R.C. KUCERA replied:

(1) The Department of Sport and Recreation conducts many generic courses and forums throughout the year. For a list of the courses and forums conducted for the period 1 January 2004 to 13 May 2005 - [see paper 540.]

(2)-(3) I am unable to provide detailed costings as these generic courses and forums are part of the Department's core business, costs incurred would only be estimates.
