

GREENBUSHES-BUNBURY RAILWAY PROJECT

633. Hon NIGEL HALLETT to the parliamentary secretary representing the Minister for Planning and Infrastructure:

Will the minister indicate when the rail link to transport forestry products from Greenbushes to Bunbury is expected to become operational?

Hon ADELE FARINA replied:

I thank the honourable member for some notice of this question. The timing for the upgrade of the Greenbushes-Bunbury railway infrastructure is as previously advised and is under discussion. The government expects to advise people of the outcome of those discussions shortly.
