969. Hon SALLY TALBOT to the minister representing the Minister for Planning:

I refer to the answer provided to my question without notice 964 yesterday regarding Bush Forever site purchases. Will the purchases referred to in the answer be financed from the metropolitan region improvement fund; and, if not, where will the funds for these purchases come from?

Hon HELEN MORTON replied:

I thank the member for some notice of this question. Yes, the purchases will be financed from the metropolitan region improvement fund.
