

CRANE OPERATORS, ACCREDITED TRAINERS

1877. Mrs C.L. Edwardes to the Minister for Consumer and Employment Protection

I refer the Minister to the answer to question on notice No. 718 of 25 February 2003 and ask -

- (a) will the Minister list the names of the ‘accredited’ trainers for crane operators in Western Australia, and the registered training organisations they are employed by; and
- (b) will the Minister list the names of the assessors for crane operators in Western Australia and the organisations they represent or are employed by?

Mr J.C. KOBELKE replied:

- (a) Training for crane operators is undertaken by Registered Training Providers who are accredited through the vocational education and training sector. Such a list is not maintained by the Department of Consumer and Employment Protection (DOCEP).
- (b) This information is publicly available via DOCEP’s workplace safety information website at www.safetyline.wa.gov.au under “education and training” and “operator certification”.
