

DOLPHIN DEATHS — SWAN RIVER TRUST REPORT

1141. Hon SALLY TALBOT to the Minister for Environment:

I refer the minister to the statement that she provided to this house yesterday and specifically to her advice that she has required the chairman of the Swan River Trust to deliver a report to her by 20 November, which is this Friday, outlining the research, ongoing monitoring and further actions being undertaken by the trust, other government agencies, researchers and experts in relation to the deaths of dolphins in the Swan River.

- (1) Will the minister undertake to table the report?
- (2) If so, when?
- (3) If not, why not?

Hon DONNA FARAGHER replied:

- (1)-(3) I thank the member for her question. I have asked the chairman of the Swan River Trust to provide me with that report. I will consider the report and I will, no doubt, provide the information publicly.
