

PUBLIC SECTOR REVIEW TASKFORCE, TABLING OF SUBMISSIONS

464. Hon C L Edwardes to the Minister for Public Sector Management

Will the minister table all submissions made to the Public Sector Review Taskforce at the same time as their report is tabled in the Parliament?

Dr GALLOP replied:

The report has already been tabled. The Taskforce considered numerous verbal and written proposals, with around 140 written submissions being received alone. Given the volume of the information considered, and in accordance with normal practice, it is not proposed to table the submission.
