

WOMEN'S REFUGE, LAVERTON

215. Ms ANWYL to the Minister for Womens Interests:

I refer to the lack of a womens refuge at Laverton and ask -

- (a) do you acknowledge there is a need for such a facility at Laverton; and
- (b) what steps are being taken to provide such a facility?

Mrs van de KLASHORST replied:

- (a) The relative need for such a service is currently being reviewed.
- (b) Identified needs would be considered in the context of statewide priorities.
